 Ho Chi Minh City

Always welcome new problems, assigned tasks. Tolerating work pressure, being sociable, calm and cheerful with colleagues. High responsibility in work as well as of the company.

PERSONAL SKILLS

Using Geophysical Machine & Equipments

Using Geophysical software

English Language

Russian Language

Incident solving skills during the execution

WORKING EXPERIENCE

 The Union of Science Geology, Environment and Geophysics (USGEG)

Reference: <https://usgeg.vn/>

Position: Geophysical manager

• **Experience in geophysics:**

- Establishment of geophysical survey outline
- Surveying: Electricity, Magnetism, Seismic, Electromagnetic, Radiation, GPR, ...
- Processing and interpreting geophysical data
- Establishment of reports.

• **Projects participated from 2019 to now:**

1. Duyen Hai III Thermal Power Plant Project (Electrical Resistivity Testing)
2. Van Phong BOT1 Project, Khanh Hoa (Thermal- Electrical Resistivity, Temperature,..)
3. Wind Power Plant Project No. 7, Soc Trang (ERT in borhole)
4. Project on Restoration and regeneration of aquatic ecosystems and aquatic resources in the province Quang Binh (ERT 2D)
5. CA VOI XANH Project, Geological mapping of Mau Ca - Nui Thanh fault, Quang Nam (GPR, Downhole seismic, Radiation, Refraction seismic, ERT 2D)
6. IALE 1 wind power project, Gia Lai (ERT)
7. New international airport Project in Phnom Penh, Cambodia (Downhole seismic)

9. Thanh Phu wind power project, Ben Tre (Downhole seismic)
 10. Binh Dai wind power project, Ben Tre (ERT)
 11. O Lau Thuong Irrigation Dam Project, Hue (Refraction seismic)
 12. Hong Liem III Solar Power Plant Project, Binh Thuan (ERT)
 13. Wind Power Project, Bac Lieu (ERT in sea, Downhole seismic in sea)
 14. BIM 2 solar power plant project, Ninh Thuan (Thermal-Electrical Resistivity)
 15. VPLAZA building project, District 7 (Downhole seismic)
 16. Hiep Phuoc Thermal Power Plant Project, Nha Be, HCMC (Downhole seismic)
 17. Long An Province Groundwater Search Project (ERT, magnetism)
 18. Phan Lam solar power plant project, Binh Thuan (ERT)
 19. Apartment project in Binh Duong province (ERT)
 20. Underground survey at RMIT, HCM city (GPR, EM scanning)
 21. Nam Sa Nghi Hydropower Plant, Laos (ERT 2D)
 22. Da Dang 3 Hydroelectric Dam, Lam Dong (ERT, Refraction seismic)
- ...

EDUCATION

- ▶ **Studying at Gubkin Oil & Gas University in Moscow, Russia**

Major: Petroleum Geophysics

From 2011-2015

- ▶ **Engineer's Degree at PetroVietNam University**

Major: Geology and Geophysics

Graduated in 2019

- ▶ **Master'Degree at PetroVietNam University**

Major: Geology and Geophysics

Studying

Nguyễn Thiên Thuyên
